

External Links

You can save external links to calculator websites, or any other type of website, on the *Help Page* by clicking on the *Links* icon.

The screenshot shows the 'Calculators' page of the Cash Plan software. At the top, there are 'Cash Plan' and 'Help' links, and a calculator icon. Below the title 'Calculators' is a list of categories: 'Income' (with a piggy bank icon), 'Savings' (with a hand holding coins icon), 'Debt' (with a document icon), and 'Links' (with a chain icon). On the right, a list of external links is displayed in a box with 'Go', 'Copy', 'Add', and 'Remove' buttons. The list includes 'Calculator.net' (selected), 'Mortgage Calculator', 'Retirement Calculator', and 'Tax withholding estimator'. A note at the bottom of the box says 'Select and right-click to edit'.

Calculator.net	
Mortgage Calculator	
Retirement Calculator	
Tax withholding estimator	

Select and right-click to edit

Add a link to the list by:

- Clicking on the *Add* button to display the *Add Calculator Link* dialog box.
- In the *Add Calculator Link* dialog box:
 - Enter a *Name* (required)
 - Enter a *URL* (required)
 - Enter any other information as needed
 - Click on the *OK* button.

Edit a link on the list by:

- Selecting the link being edited.
- Right-clicking on the selected link.

Remove a link from the list by:

- Selecting the link being deleted.
- Click on the *Remove* button.
- In the *Serious?* message box, click on the *OK* button.

To open a link in the default browser:

- Select the link.
- Click on the *Go* button.

To place the URL for a link on the clipboard:

- Select the link.
- Click on the *Copy* button.
